

**Statement from Andretti Green Racing co-owner
Michael Andretti on the passing of Paul Newman**

"It's certainly a sad day for all of us that knew Paul. He was just a great guy and truly loved everything about racing. He and I shared a true passion for motorsports in general, but specifically IndyCar racing. Some of the fondest memories I have of my career are from the time I spent at Newman/Haas and I'll never forget those. Paul was one of a kind and he will be missed, for sure."
