

XM Radio Acura Pre Race Report-Atlanta

Franck Montagny, #26 XM Radio Acura

"I am very excited to go to Petit and to drive with Marco (Andretti) and Tony (Kanaan). They are two of the biggest names in America and I am looking forward to teaming up with them. It is going to be a very important weekend with all of the drivers coming from the IndyCar Series and Europe to drive at Petit. I think the XM Radio Acura is going to be very good. We are going to focus on getting the LMP2 win and hopefully challenge the LMP1 cars for the overall victory."

Tony Kanaan, #26 XM Radio Acura

"It's going to be good getting back into the XM Radio Acura this weekend. I didn't get the chance to get in the car during last year's Petit Le Mans, so I am looking for a much better result for us this time around. The guys at Andretti Green Racing have worked hard all season and they finally got that elusive first win this year at Belle Isle. It is going to be a challenging endurance race, but I fully expect us to be in the hunt for another victory."

Marco Andretti, #26 XM Radio Acura

"I'm looking forward to getting back into the XM Radio Acura this weekend. I had an entire week to focus on Sebring at the beginning of the year and was able to get very familiar with the car. Since Sebring, I have tested the XM Acura and was in the car at Lime Rock. I think Petit will be the most competitive race of the season with all of the additional drivers and teams coming to compete at Petit, but I think Franck (Montagny), Tony (Kanaan) and I will be fighting for the win."
