## CDW TO PARTNER WITH KV RACING TECHNOLOGY

INDIANAPOLIS, IN -- AUGUST 15, 2008 -- KV Racing Technology announced today that CDW will be the primary sponsor of the CDW/KV Racing Technology #5 Honda/Dallara/Firestone entry and driver Oriol Servia at the PEAK Antifreeze and Motor Oil Indy 300, September 7-8, at Chicagoland Speedway in Joliet, Illinois.

"We are very pleased to announce that CDW has agreed to partner with KV Racing Technology for the Chicago event," said KVRT co-owner Jimmy Vasser. "For several years CDW has been our IT provider, and they have enjoyed success in the past with hosting customers at racing events. We look forward to having them on board in Chicago and appreciate the opportunity to show their customers the strong IT backbone that KV Racing Technology has built with CDW's help."

CDW, a leading provider of technology products and services for business, government and education, is headquartered in Vernon Hills, Illinois. They previously sponsored a team in the Champ Car World Series, however this is the first time they have partnered with an IndyCar Series team for customer hosting.

Servia, in his ninth U.S. based open-wheel season, but first in the IndyCar Series, is currently tied for eighth in the championship standings with 298 points. The 34-year-old Spaniard has finished in the top-10 in six of the 14 races this year with four top-five showings. In 139 career starts Servia has 76 top-10 finishes including 38 top-five showings with 16 podium performances, one victory (Montreal 2005) and one pole (Surfers Paradise 2005).

### About CDW:

CDW is a leading provider of technology solutions for business, government and education. Ranked No. 39 on Forbes' list of America's Largest Private Companies, CDW features dedicated account managers who help customers choose the right technology products and services to meet their needs. The company's technology specialists offer expertise in designing customized solutions, while its advanced technology engineers can assist customers with the implementation and long-term management of those solutions. Areas of focus include notebooks, desktops, printers, servers and storage, unified communications, security, wireless, power and cooling, networking, software licensing and mobility solutions.

CDW was founded in 1984 and as of June 30, 2008 employed approximately 6,700 coworkers. In 2007, the company generated sales of \$8.1 billion. For more information, visit [CDW.com](http://CDW.com).

### About KV Racing Technology:

KV Racing Technology was originally established in 2003. The Indianapolis-based team will contest its sixth season of competition, and first in the IndyCar Series, during the 2008 season. KV Racing Technology is owned by successful venture capitalist Kevin Kalkhoven and 1996 Series Champion Jimmy Vasser. Veteran motorsports manager Mark Johnson is the team's General Manager. KV Racing Technology has earned two victories the first by Cristiano da Matta in Portland in 2005 and the second by Will Power in Long Beach this year. They have captured two poles, Tristan Gommendy at Mont Tremblant in 2007 and Vasser at Milwaukee in 2005. KVRT will field a two car effort in 2008. Oriol Servia will drive the KV Racing Technology #5 Honda/Dallara/Firestone entry while Will Power will pilot the KV Racing Technology #8 Aussie Vineyards - Team Australia Honda/Dallara/Firestone car.
