Dominguez Breaks Into the Second Round of Qualifying with Top IndyCar Start

Peak Antifreeze and Motor Oil Grand Prix of Sonoma

Saturday, August 23, 2008

MARIO DOMINGUEZ, #96 Moorefield Construction/PCM/Honda/Dallara/Firestone

Session	Position	Time	Speed
Practice 3	16 th	1:18.4632	105.665
Qualifying	11th	1:18.3235	105.853

Mario on Qualifying: "I am very happy to have made the top 11 today. It is our best result in IndyCar and to make the second group was great. This result just shows what a hard-working team we all are. We didn't have the budget to test here with the rest of the field last week, so this result is even sweeter because of that. We always put our best effort forward, and this time it paid off. I think tomorrow should be a good race and we will be shooting for a top-ten result in the Moorefield Construction car at the team's home race here in California

Mario en el dia: "Estoy muy orgulloso de haberme metido dentro de los mejores 11 hoy. Es nuestra mejor calificacion en la IndyCar hasta el momento y habernos colado al segundo grupo de los doce mas rapidos es genial. Este resultado viene a mostrar cuan trabajadores somos todos en este equipo. No tuvimos el presupuesto para venir a probar aqui la semana pasada como lo hicieron la mayoria de los equipos, asi que este resultado es aun mejor para nosotros. Siempre damos nuestro mejor esfuerzo, y hoy nos pago dividendos. Creo que manana sera una buena carrera y estaremos apuntando por meternos dentro delos 10 mejores en el "Estelar" auto de Moorefield Construction en esta carrera en casa para el equipo aqui en California.

Tyler Tadevic, Team Owner: "Hoorah! One of our goals this weekend, definitely, was to

be part of the fast six from our group and we achieved that! We kicked the season off with a podium in Long Beach which was terrific, but it has been a really tough season. Today was sort of a moral victory for the team making the Firestone Fast 12. I think our performance all year has been a great example of the heart and soul this team has. Mario and the boys are showing it is possible to do a lot with a little.”
